Practical Information

Please be punctual.

To ensure a smooth flow of the programme, we kindly ask you to be at the designated meeting point **15 minutes before the scheduled departure or start time**. This is particularly important for the **bus transfers and your Mill Visit**.

Mill Visit

Your individual Mill Visit slot was assigned based on your response to our preparatory questionnaire. You should have received an email confirming your allocated slot. **If you are unsure about your assigned time, please contact the AGF Welcome Desk**. Our AGF team will be happy to assist you.
